

What's YOUR Historic L.A.?

Tuesday, September 29, 2009
Kaiser Permanente, South Bay
25825 S. Vermont Avenue
Conference and Education Center, Room A1/A2
Harbor City, CA 90710
6:30 – 8:30 p.m.

Do you know some “hidden gems” in your community – some special places of architectural, cultural, or social significance that may have long been overlooked? If so, we need your help!

Please join us for a special regional meeting to begin organizing your community to participate in **SurveyLA**, the first-ever citywide survey of Los Angeles’ historic resources. The Harbor Gateway – Wilmington – San Pedro Community Plan Areas have been selected to participate in the first year of the citywide survey and we hope you will participate.

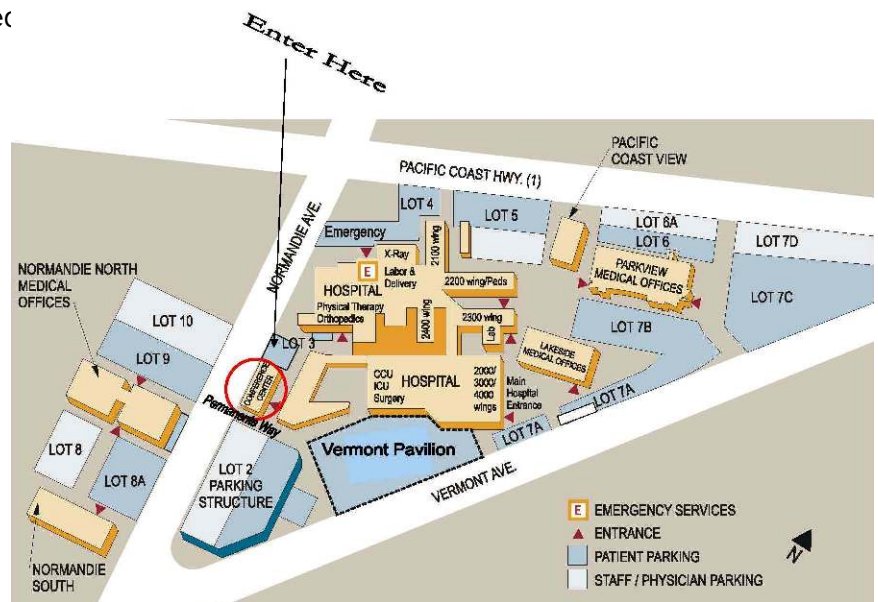

SurveyLA, partially funded by a matching grant from the Getty Foundation, will document significant historic places and neighborhoods to help inform and shape the City’s New Community Plan that will guide future development in your area.

Historic preservation professionals conducting the survey cannot possibly know all of the potential historic resources in your area, and that’s where you come in. We hope you will help us get your friends and neighbors involved to share their special knowledge about important local buildings and places. Your neighborhood’s information will directly inform the survey’s evaluations and will ensure that places important to your community are not overlooked.

Come be part of the kickoff of **SurveyLA** in your area. Please RSVP at (213) 978-1192. For more information, visit our web site at www.SurveyLA.org.
